What should my child be able to do before entering

FIRST GRADE?

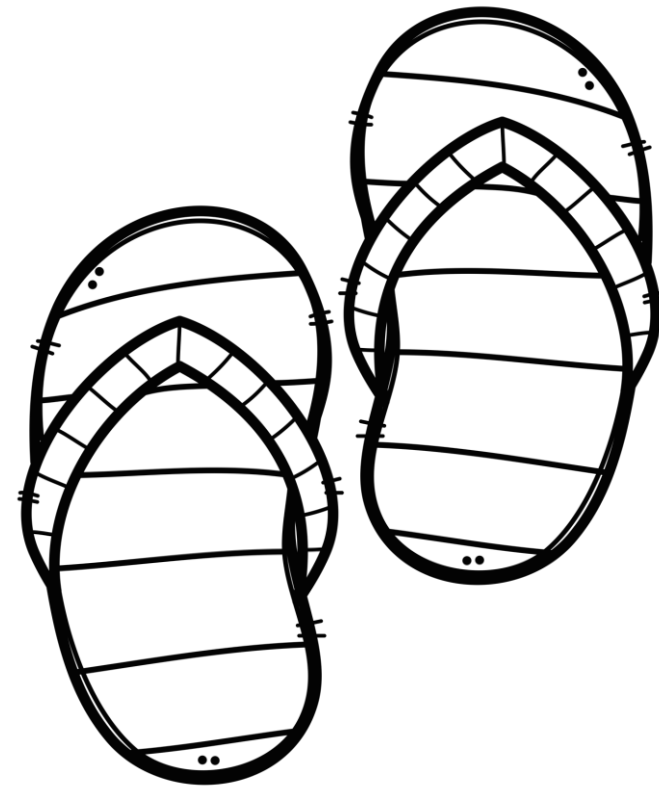

- Count to 100 by tens and ones
- Add and subtract within 10 automatically
- Recognize and describe 2D and 3D shapes
 - Recognize and write upper- and lowercase letters.
- Retell a story in their own words
- Read many sight words and simple words automatically
- Write simple sentences independently
- Follow rules and routines
- Seek help when needed
- Attempt to use words to solve simple conflicts among peers

FLIP FLOPPIN'

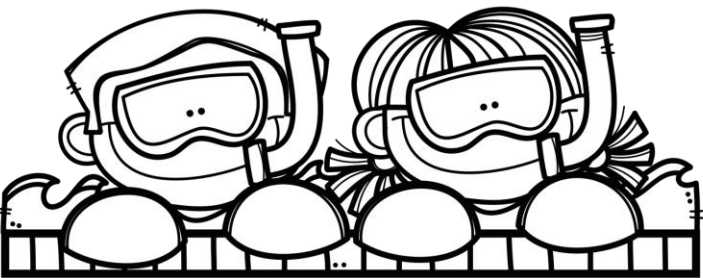

into

FIRST GRADE

Heathrow Christian Academy

June 17-20, 2024

Join Ms. Sarah for a fun-filled week of activities to prepare for first grade!

COST: \$135 per child

HOURS: 9am-1pm
Monday-Thursday

Please pack a lunch and reusable water bottle. We will provide snack. You do not need to send a backpack.

Help your child transition smoothly into first grade! We will practice reading and math skills in a structured environment. Camp is open to all students entering first grade, no matter where they attended kindergarten or where they will attend first grade.
